W: Matthew, why don't you wear an extra sweater to stay warm when you go out?

M: Why, Mom? It's not that cold, and I don't like wearing extra clothes.

W: The weather forecast says that it's going to be very cold this afternoon.

M: _____

2번 대화를 듣고, 남자의 마지막 말에 대한 여자의 응답으로 가장 적절한 것을 고르시오.

M: Hey, Mina, you told me you really wanted to see the movie *Summer Story*. Did you get to see it?

W: Not yet. I still want to, but I think it stopped playing in theaters.

M: I know of one where it is playing. I watched it there yesterday.

W: _____

3번 대화를 듣고, 여자의 마지막 말에 대한 남자의 응답으로 가장 적절한 것을 고르시오.

[Cellphone rings.]

W: Honey, where are you? Did you buy the eggs?

M: Oh, no. I forgot. I'm almost home. Just waiting for the elevator.

W: But I can't finish cooking dinner without eggs.

M: _____

4번 다음을 듣고, 여자가 하는 말의 주제로 가장 적절한 것을 고르시오.

W: Hello, class! Today, we're going to talk about the issue of microplastics which are a serious threat to the health of the oceans. Microplastics are any plastic fragments less than five millimeters in length. Most of the microplastics in the ocean originate from everyday things including cosmetics, clothing, and industrial products. Microplastics are the main cause of sea pollution. These small particles are eaten by marine creatures and accumulate in them. This is a great threat to their survival. It's time for all of us to do something about microplastics.

5번 다음을 듣고, 남자가 하는 말의 목적으로 가장 적절한 것을 고르시오.

M: Hello, students. This is your vice-principal John Adams. We have an online bulletin board where students can post their opinions, but you haven't been using it much these days. To get more feedback from you, we've placed suggestion boxes next to the student lockers on each floor. Your ideas about anything such as after-school programs, school facilities, or school festivals would be welcomed. You can use the form next to the suggestion boxes to tell us your ideas. We'll consider them and do our best to implement your ideas, if possible. Thank you.

6번 대화를 듣고, 남자의 주장으로 가장 적절한 것을 고르시오.

M: Honey, it's cold standing out here. Do you think Alyssa will be out of school soon?

W: Any minute now.

M: Good. Why are there so many cars here?

W: They belong to other parents waiting to pick up their children after school.

M: But illegal parking in a school zone can be a serious problem. It may distract drivers from noticing kids on the road.

W: Right. The kids aren't paying attention to the cars. They're just running around.

M: That's why people shouldn't park cars in a school zone.

W: How can we solve this problem?

M: I think we need to take strong actions against illegal parking in school zones.

W: I agree. Let's bring this issue up at the next city council meeting.

7번 대화를 듣고, 여자의 의견으로 가장 적절한 것을 고르시오.

W: How did the first day of your volunteer tutoring go last weekend, Mike?

M: Well, it was fine, but I wanted to do a better job.

W: Any trouble with the students you were teaching?

M: Teaching them was tough. I had no idea how to get closer to them.

W: Right. I had the same experience last year.

M: What did you do then?

W: I tried to tell a lot of funny stories before the class started.

M: Was it successful?

W: No. It didn't work at all. So I changed my approach. I tried to listen to their stories instead. Then, they were friendlier to me.

M: Really? Do you think it'll also work for me?

W: Yes. I'm sure listening to students' stories first really helps build relationships.

M: I see. I'll try that next time. Thanks for your help.

8번 대화를 듣고, 두 사람의 관계를 가장 잘 나타낸 것을 고르시오.

W: Hello, it's been a while. I guess you must be really busy these days.
M: Yes, I just finished working on a huge project. And I need a big change.
W: Do you have a specific style in mind?
M: I was thinking of going blond and getting a wavy perm.
W: Hmm.... I don't recommend doing that. Your hair already has too much damage.
M: Is it serious? What should I do?
W: Don't worry. We have a special treatment for damaged hair.
M: Okay. Will it be better after the treatment?
W: Sure. After two treatments you'll feel the difference.
M: Sounds good. Then I'd like that service, please.
W: All right. I'll prepare it right away.

W: I'm sorry to hear that. I know you really wanted to go there.

M: Fortunately, I was able to book a flight for next week, so I just postponed the trip.

W: Good. Have you made a hotel reservation yet?

M: Not yet. But I'm thinking about Happy Resort. It's a little far from the airport, but the rate is reasonable.

W: I know that place. It offers a free airport shuttle service.

M: Really? I didn't know that. Where can I get information about the service?

W: My parents used the shuttle service last month. They have a guidebook that describes it. I'll give it to you.

M: Thank you. That'd be very helpful.

W: How come? Was your stomach upset from that big dinner we had?

M: No, my stomach was fine. Don't worry. I'm not sick.

W: Then, is it because of that English presentation you mentioned?

M: Not really. I had a hard time sleeping because I had coffee late at night.

W: I see. It must have been awful. Nothing is worse than a sleepless night.

M: Right. I couldn't fall asleep till 2 a.m. I should've just studied for my midterm exams since I was awake anyway.

W: Hmm... it's pretty, but it's too long for my puppy.

M: How about this one? This might suit a small puppy well. It's \$20.

W: Good. I'll take it. Do you have stainless steel food dishes?

M: Yes, this one is strong and easy to clean. It's \$35.

W: Great. I'll take that as well. And how about a good toothpaste for puppies?

M: This one is \$5, but you can get three for \$10.

W: Then I'll take three. That'll be all.

M: Okay. Do you have a membership card for a discount?

W: No, I don't. Here's my credit card.

13번 대화를 듣고, 방송국 견학에 관해 언급되지 않은 것을 고르시오.

W: All right. How many students are expected to go?

M: 30 students from our school's broadcasting club.

W: Did you make a reservation to visit?

M: Yes. I did it last Wednesday, because we have to make a reservation a month in advance.

W: Good job. How will you get there?

M: We're going to take the subway. CBC is near the subway station.

W: Okay. I'll take your advice.

M: Do you have any color preference? There are two colors available.

M: But I'm taking mine in next week.

W: Why are you waiting? Is it going to get cold again?

M: No, it's not about the weather. You can get a discount if you wait.

W: Actually, it's below 20. You'll get sick if there's a big difference between the temperatures inside and outside.

M: I thought I would catch a cold if the indoor temperature was too low.

W: Not really. You must adapt to the changing conditions. Also, your skin may get damaged if you don't turn down the heater.

M: Oh... that's why my skin sometimes feels dry and itchy.

【19-20】 다음을 듣고, 물음에 답하십시오.

W: Hello, I'm Michelle, the director of the Early Childhood Education Center. I'd like to share some tips on how to choose the right daycare center for your family. Here are some basic factors you should consider during your search. The first one is qualified teachers. This is important because your kids will be staying with them for most of the day. The second is location. If the daycare center is too far from your home, you may have trouble picking up your children on time. Next, you'll need to consider the food it serves. Make sure it provides your kids with nutritious meals. Finally, see what kind of programs the daycare center offers. With a variety of programs, your kids will be happier during the time they spend at the center. I hope you consider these aspects and are able to choose the best daycare center. Any questions?
