

**Get the most from
your Android™ device**

Autobackup

Aggregate

Free Up

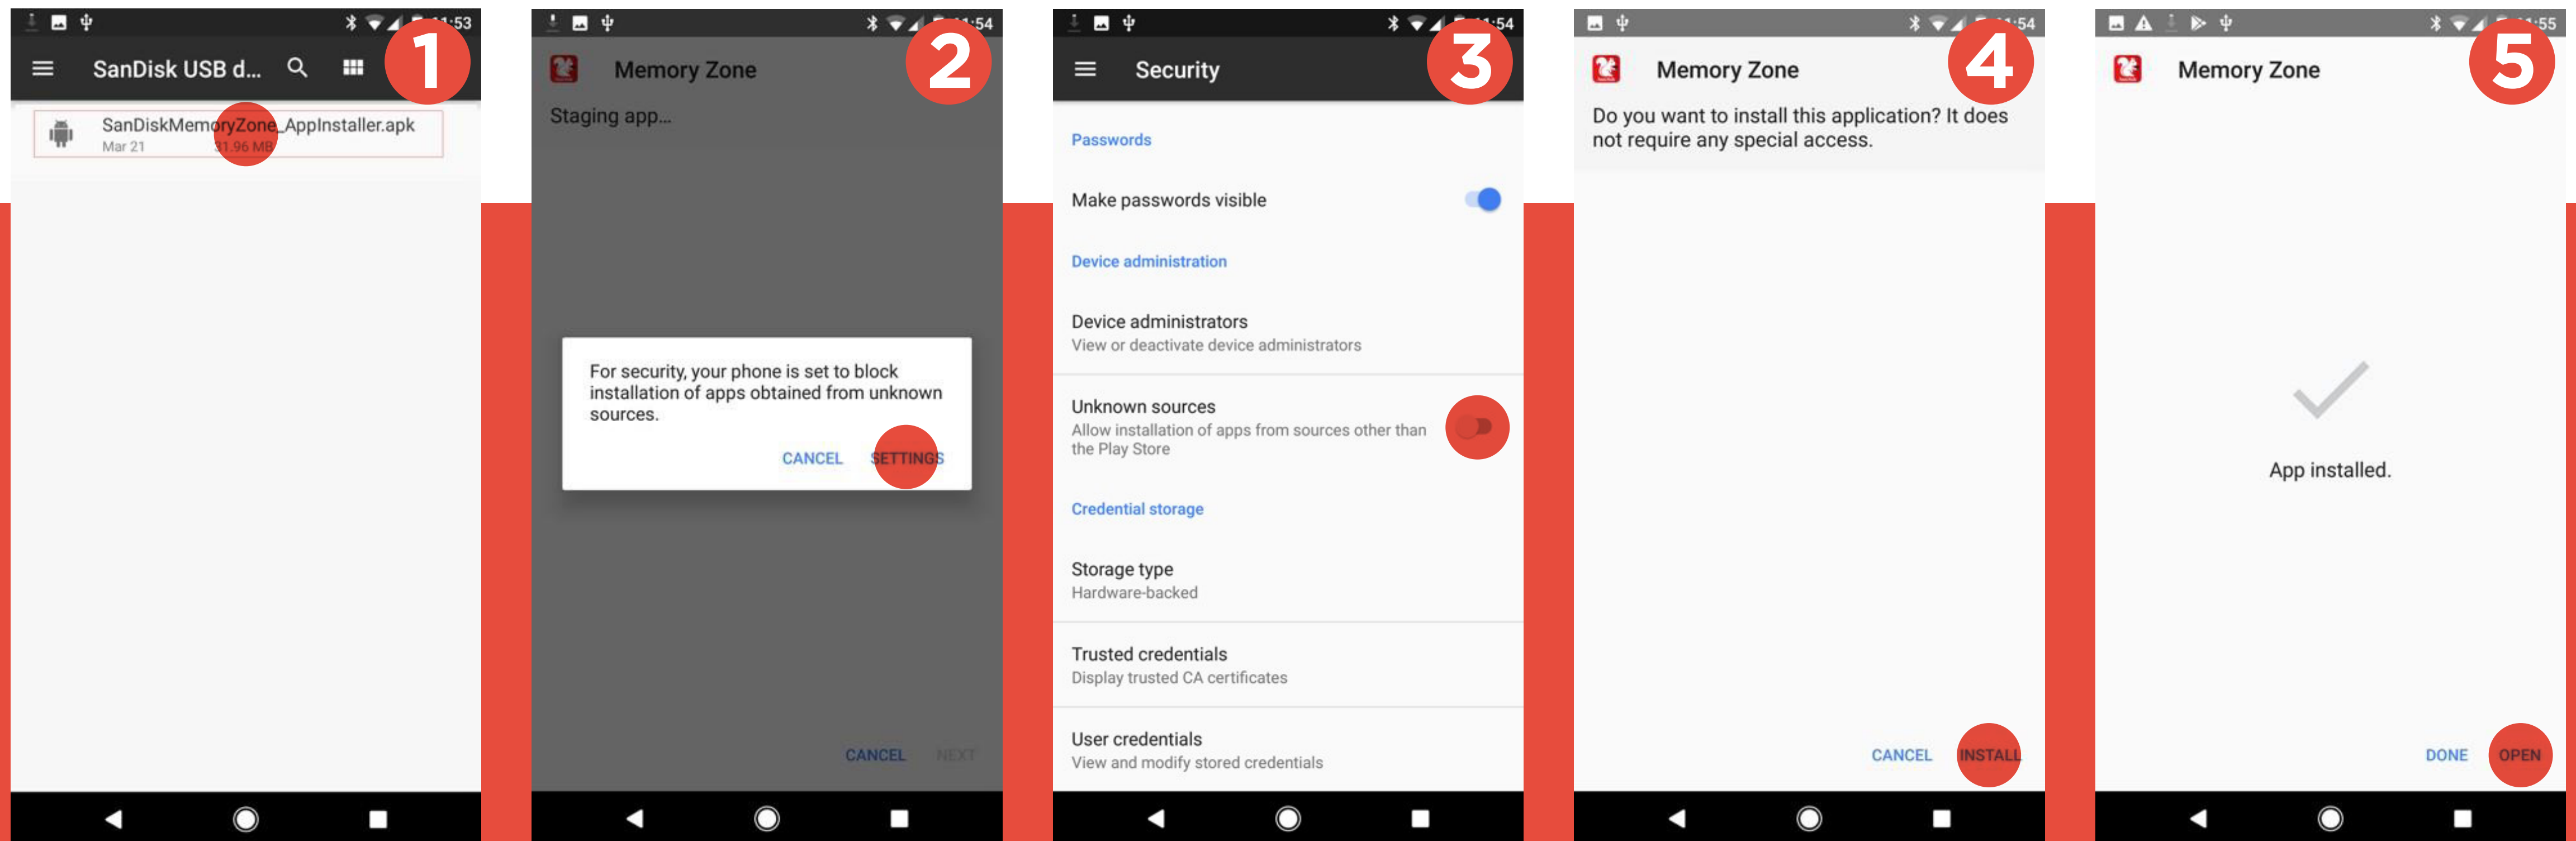

To download the latest app:
<https://play.google.com/store/apps/details?id=com.sandisk.mz>

**You also have the app pre-loaded on
the drive, scroll down for installation
guide**

Installation Guide

- 1 Click on the **SanDiskMemoryZone_AppInstaller.apk** from the drive
- 2 Click on **SETTINGS** – this will take you to Android Settings where you can allow the app to be installed
- 3 In **Android Settings > Security** – Turn ON “**Unknown sources**”.
This allows you to install apps directly from sources outside the Google Play Store. If needed, turn **OFF** this setting after installation is complete.
- 4 Click **INSTALL** – To install Memory Zone app
- 5 Click **OPEN** – To open and to use the app immediately
