

고1_ 2018[기출문제] 37

다음 글의 빈칸 (A)와 (B)에 들어갈 말로 가장 적절한 것은?¹ [H1-1806 37번]

When I was very young, I had a difficulty telling the differences between dinosaurs and dragons. But there is a significant difference between them. Dragons appear in Greek myths, legends about England's King Arthur, Chinese New Year parades, and in many tales throughout human history. But (A)_____ they feature in stories created today, they have always been the products of the human imagination and never existed.

(B)_____ dinosaurs did once live. They walked the earth for a very long time, even if human beings never saw them. They existed around 200 million years ago, and we know about them because their bones have been preserved as fossils.

- | | |
|--------------|----------------|
| (A) | (B) |
| ① unless | Similarly |
| ② whereas | As a result |
| ③ as if | In other words |
| ④ as long as | For example |
| ⑤ even if | However |

다음 글에서 전체 흐름과 관계없는 문장은?² [18년 6월 37번]

When I was very young, I had a difficulty telling the difference between dinosaurs and dragons. But there is a significant difference between them. Dragons appear in Greek myths, legends about England's King Arthur, Chinese New Year parades, and in many tales throughout human history. ㉠But even if they feature in stories created today, they have always been the products of the human imagination and never existed. ㉡Dinosaurs, however, did once live. ㉢They walked the earth for a very long time, even if human beings never saw them. ㉣Step into the world of dragon lore from three very distinct cultures. ㉤They existed around 200 million years ago, and we know about them because their bones have been preserved as fossils.

- ① a ② b ③ c ④ d ⑤ e

다음 글의 괄호 (A), (B), (C) 안에서 문맥에 맞는 낱말로 가장 적절한 것은?³ [H1-1806 37번]

When I was very young, I had a difficulty telling the difference between dinosaurs and dragons. But there is a (A)[trivial / distinct] difference between them. Dragons appear in Greek myths, legends about England's King Arthur, Chinese New Year parades, and in many tales throughout human history. But even if they feature in stories created today, they have always been the (B)[products / procedures] of the human imagination and never existed. Dinosaurs, however, did once live. They walked the earth for a very long time, even if human beings never saw them. They existed around 200 million years ago, and we know about them because of the (C)[existence / extortion] of their bone fossils.

- | (A) | (B) | (C) |
|------------|------------|-----------|
| ① distinct | procedures | extortion |
| ② distinct | products | existence |
| ③ trivial | procedures | extortion |
| ④ trivial | products | extortion |
| ⑤ trivial | procedures | existence |

다음 글의 내용을 한 문장으로 요약하고자 한다. 빈칸 (A), (B), (C)에 들어갈 말로 가장 적절한 것은?⁴ [H1-1806 37번]

There is a significant difference between dinosaurs and dragons. Dragons appear in Greek myths, legends about England's King Arthur, Chinese New Year parades, and in many tales throughout human history. But even if they feature in stories created today, they have always been the products of the human imagination and never existed. Dinosaurs can be brought back to life after blood residue found in ancient insect. Dinosaurs, however, did once live. They walked the earth for a very long time, even if human beings never saw them. They existed around 200 million years ago, and we know about them because their bones have been preserved as fossils.
