다음 글의 주제를 20자 이내의 우리말로 쓰시오.¹ [20년 6월 23번]

Like anything else involving effort, compassion takes practice. We have to work at getting into the habit of standing with others in their time of need. Sometimes offering help is a simple matter that does not take us far out of our way – remembering to speak a kind word to someone who is down, or spending an occasional Saturday morning volunteering for a favorite cause. At other times, helping involves some real sacrifice. "A bone to the dog is not charity," Jack London observed. "Charity is the bone shared with the dog, when you are just as hungry as the dog." If we practice taking the many small opportunities to help others, we'll be in shape to act when those times requiring real, hard sacrifice come along.
