

고1_ 2018[기출문제] 20

다음 글의 빈칸 (A)와 (B)에 들어갈 말로 가장 적절한 것은?1 [H1-1806 20번]

Something comes over most people when they start writing. They write in a language different from the one they would use if they were talking to a friend. If, (A)_____, you want people to read and understand what you write, write it in spoken language. Written language is more complex, which makes it more work to read. It's also more formal and distant, which makes the readers lose attention. You don't need to use complex sentences to express your ideas, as even when specialists in some complicated field don't use complex ones. (B)_____, simply write in spoken language. It will help you have a good start as a writer.

- | | |
|------------------|-------------|
| (A) | (B) |
| ① yet | For example |
| ② however | Instead |
| ③ for instance | Rather |
| ④ nevertheless | However |
| ⑤ in other words | As a result |

다음 글에서 필자가 주장하는 바로 가장 적절한 것은?2

[H1-1806 20번]

Something comes over most people when they start writing. They write in a language different from the one they would use if they were talking to a friend. If, however, you want people to read and understand what you write, write it in spoken language. Written language is more complex, which makes it more work to read. It's also more formal and distant, which makes the readers lose attention. You don't need complex sentences to express ideas. Even when specialists in some complicated field express their ideas, they don't use sentences any more complex than they do when talking about what to have for lunch. If you simply manage to write in spoken language, you have a good start as a writer.

- ① Express your thoughts clearly
- ② Write clearly in spoken language
- ③ Start conversation with familiar subject matter
- ④ When writing, don't use conventional expression
- ⑤ Speak with consideration of other person's position
