4. 다음을 듣고, 여자가 하는 말의 주제로 가장 적절한 것을 고르시오.

W : Owning a dog is an exciting journey, but there are a few things to consider before getting a puppy. First, keeping a dog can cost more than you think. Be sure you can afford all of the expenses such as food, hospital fees, toys, and bedding. Second, think about how much free time you have to spend with your dog. If you're too busy, then maybe a dog is not the right pet for you. Third, a dog is not a temporary pet. It's wonderful if you want a dog now, but make sure you can take care of it in the future too.

5. 대화를 듣고, 여자의 의견으로 가장 적절한 것을 고르시오.

M: Honey, I've got something to tell you.

W: Why? She enjoys them a lot.

M: I know, but she needs to spend more time studying now.

W: I agree, but learning how to play the piano can help her do better in her studies too.

M: Really? How?

W: You know moving their fingers a lot at an early age can help children develop their brain, don't you?

M: Well, I guess I heard something like that.

W: Playing the piano can improve children's math and reading skills.

M: Okay. Then we'd better let her continue her piano lessons.

M: I'm glad to hear that. What was your favorite part?

W: I really loved how Jessica's magic spell saved the whole village.  
She's such a strong, brave character.

M: Really? I'm so happy you enjoyed my book!

W: My little sister read it too! I can't wait to read your next story.  
Will there be a prince and princess?

M: Maybe. I do have a few ideas for the next one. It'll be magical!  
Have a great day.

W : Wow, that's a good idea! What songs have you got?

M : I've found a couple of songs, but I need more.

W : In that case, I can help you. I know some good songs for your students.

M : Oh, really?

M : Why?

W : My father is coming back from his overseas business trip.

W : Does the discount apply to the blouse too?

M : No. It's only for the skirt.

W : Alright. I'll take the skirt too. Here's my credit card.

M : Thank you.

M: Hello, everyone! Let me start today's class by telling you about an interesting animal, the milk snake. To eat mice and rats, it often appears where cows are kept. So, people wrongly believed that it sucked milk from cows. That's how the milk snake got its name. Interesting, isn't it? The milk snake is non-poisonous and harmless to humans. It is found throughout the eastern United States. Its body can be 1 meter long and is marked with red, brown, olive, or gray. The female lays from 6 to 12 white eggs, usually underground or in moist wood. The young are more brightly colored than the adults.

M: Well, we don't need a rubber raft for five people.

W: Right. And I don't want to spend more than \$50 on it.

M: I agree. We don't need to spend that much. How about a black rubber raft?

W: I want one that's more colorful.

M: I got it. Now we should choose one of these two.

W: We might want to ride it with Tony. Why don't we buy a rubber raft for three people?

M: What kind of outdoor activities do you enjoy? As you know, many kinds of outdoor activities are becoming widely popular these days. Today I'd like to tell you specifically about mountain hiking. It's very good for your mental and physical health. However, you can be in danger unless you follow these guidelines. First, take some extra clothes in case of a sudden drop in temperature. Second, carry enough food to maintain your energy level. Third, warm yourself up fully and always watch your step to avoid injuries, such as a sprained ankle or twisted knee. Last, you should keep your own pace. You shouldn't be too confident of your own physical strength. Keep these in mind, and you'll have a good time in the mountain.
