When my mom came home from the mall with a special present for me I was pretty sure I knew what it was. I was absolutely thrilled because I would soon communicate with a new cell phone! I was daydreaming about all of the cool apps and games I was going to download. But my mom smiled really big and handed me a book. I flipped through the pages, figuring that maybe she had hidden my new phone inside. But I slowly realized that my mom had not got me a phone and my present was just a little book, which was so different from what I had wanted.
