2. 대화를 듣고, 남자의 의견으로 가장 적절한 것을 고르시오.

M: Hi, Paula. What are you doing on your smartphone?

W: Hi, Ethan. I'm searching for meal kit delivery services. I'm so busy that I need to save time and effort to cook.

M: Good idea. Did you find anything good?

W: Yes, this one is my pick. Take a look.

M: Oh, it's Mama's Meals. Actually I've used them before, but I wouldn't recommend them.

W: Why? They got the most reviews from the customers. Their food tastes good and is pretty high quality.

M: I know. But they use too much packaging for deliveries.

W: What's the matter with that? I believe multi-layered packaging is necessary for food delivery.

M: To some extent, but that company uses too many unnecessary boxes and plastic containers for packaging.

W: That could be a problem for the environment. That's good to know.

M: That's why I don't use over-packaged delivery services. You should avoid them too.

W: Okay, I'll keep that in mind.

3. 대화를 듣고, 두 사람의 관계를 가장 잘 나타낸 것을 고르시오.

W: Good afternoon, Mr. Smith.

M: Good afternoon, Mrs. Peterson. Your shopping bags look very heavy.

W: Yeah, I did a lot of grocery shopping today. We're having a barbecue this weekend.

M: That sounds fun, but I'm really sorry to tell you that the elevator to your house isn't working right now.

W: Oh no. I can't walk up the stairs to the 20th floor with these bags. When will it be fixed?

M: I've just called the maintenance service, and they'll be here within an hour.

W: I hope it won't take too long to get it fixed.

M: Well, it'll take at least one or two more hours. Can I help you with your shopping bags?

W: Thank you, but I think you'd better stay here. Other residents may need your help.

M: You're right. Why don't you leave your shopping bags here? You can take them when the elevator is working again.

W: That'd be great. Thanks.

M: You're welcome.

4. 대화를 듣고, 그림에서 대화의 내용과 일치하지 않는 것을 고르시오.

M: Yeah. How did you know that?

W: Look here. I can tell from the sign above the arched door.

M: Aha! What I liked about the café was the light above the table. It was nice to read there.

W: I bet. I see two chairs by the window. Was the view good?

M: Yes. It was great to look out the window while reading.

W: Look at this rug on the floor. It looks like a book.

M: It's nice. You know there're a lot of books in the café. And, for some books you have to use a ladder to reach them.

W: So that's why this ladder is leaning against the bookcase.

M: Yes. You should go there sometime. It's worth a visit.

W: Sure.

5. 대화를 듣고, 남자가 여자를 위해 할 일로 가장 적절한 것을 고르시오.

M: Ms. Parker, you look busy today.

W: Almost. I've just been to the auditorium for the final check-up. The banner is set up, and the microphones are working properly.

M: Good. Did you put up the seating chart?

W: Yes, I posted it at the entrance. I also printed out all the certificates. I just have to put them into these certificate covers.

M: Each student will get a bunch of flowers along with their certificate, right?

W: Oh, that's right. I ordered the flowers and they should've been here by now.

M: You'd better check with the flower shop. I can put the certificates into the covers for you.

M: Okay.

M: Sure, but you have to pay an additional \$10.

W: That's reasonable.

M: Do you want to add any decorations to the cake? They're \$5 each.

W: I'd like to have a trophy and a boy on top.

M: That means you're adding two decorations.

W: That's right. I want to get the cake this Saturday. Is that possible?

M: Yes, it is. Do you want to have it delivered? It'll cost \$5.

M: Yes, Laura. It's been almost a year since I signed up there. My one-year membership ends next week.

W: Are you going to renew it?

M: No, I decided not to.

W: Why? Is it because the membership is too expensive?

M: Not really. It's quite cheap if you don't get personal training.

W: Then, are you going to move to another fitness center with better facilities?

M: No, I'm happy with the facilities now.

W: Then why aren't you renewing your membership?

M: Actually I'm going to take tennis lessons next month.

W: Cool. Tennis is a fun and high-intensity sport. You'll love it.

M: Yeah, I'm looking forward to it.

M: It's a new vegan restaurant on campus. It's on the first floor of the student union building.

W: That's news to me. When did it open?

M: It opened last month. You can eat delicious vegan dishes like plant-based tacos, burgers, and pizzas.

W: Sounds great. How about the price?

M: Quite affordable. You can buy most of the dishes for less than \$10. You should check it out.

W: Yes, I want to choose one from these five models.

M: Let me see. Do you have a budget?

W: I'd like to keep it under \$50.

M: Then this one is out. Oh, I wouldn't get this model, either. The playtime should be longer than 10 hours.

W: I agree. Then I have to choose one of these three.

M: Why don't you go for one with FM radio? You often listen to the radio.

W: Good point. There are only two options left, but I like both of the colors.

M: I think pink will get dirty easily.

W: That makes sense. I'll buy the other one.

W: Hang on. *[Typing sound]* I'm sorry, but it's already been printed out. It's going to be packaged soon for delivery.

M: Oh, no. Our school festival has been delayed. The date should be changed.

W: That sounds like a major change. I'm afraid you'll have to order a new one.

M: I don't want to do that. It's a waste of money. Do you have any other idea?

W: Well, you can write the new date on a piece of cloth and cover the old date.

M: All right. I'd appreciate it if you could send me some pieces of cloth.

W: _____

14. 대화를 듣고, 여자의 마지막 말에 대한 남자의 응답으로 가장 적절한 것을 고르시오.

W: It was awesome. I had a great experience at a terrarium workshop.

M: What is a terrarium?

W: It's like an aquarium, but with plants instead of fish. It can be made in any glass container like a jar or bottle.

M: Simply put, you grow plants in glass containers, right?

W: Well, it's more than that. A good terrarium is a fully functioning micro-ecosystem.

M: Tell me more about it.

W: Terrariums are able to conserve water and keep the environment humid no matter the weather outside. They're very easy to care for.

M: I see. They sound like a creative way to have your own mini garden.

W: Exactly. Why don't you try making one? It won't be difficult, even for a beginner.

16번부터 17번은 두 번 들려줍니다.

[16 ~ 17] 다음을 듣고, 물음에 답하십시오.

M: Hello, students. Laws may seem to be universal, yet every country's laws are different. In fact, some of them are so weird that you may not believe they exist. In Italy, Rome has strict laws against animal cruelty. For example, if an owner does not walk their dog once a day, they could be fined €500. Germany's Autobahn is well-known for having dynamic speed limits of more than 160 km per hour. But it's illegal to run out of gas on the Autobahn. When packing for a trip to Greece, make sure you have the right shoes. The country banned high heels at the Acropolis in 2009. The Greeks put this ban in place to protect its ruins from damage caused by sharp shoes. Spain hates your attempts at making sand castles so much that you could be fined if caught building one. And the fines vary by location. On the island of Majorca, for example, you could pay €100. So, when you visit these countries, be careful! You certainly don't want to get in trouble!
