다음 글의 제목으로 가장 적절한 것은?¹ [H1-1811 35번]

Wouldn't it be nice if you could take your customers by the hand and guide each one through your store while pointing out all the great products you would like them to consider buying? Most people, however, would not particularly enjoy having a stranger grab their hand and drag them through a store. Rather, let the store do it for you. Have a central path that leads shoppers through the store and lets them look at many different departments or product areas. This path leads your customers from the entrance through the store on the route you want them to take all the way to the checkout.
