<보기>의 단어를 배열하여 다음 빈칸에 들어갈 문장을 완성하십시오. (단, 필요하면 어형을 바꾸시오.)¹ [H1-1806 22번]

Human beings are driven by a natural desire to form and maintain interpersonal relationships. From this perspective, people seek relationships with others to fill a fundamental need, and this need underlies many emotions, actions, and decisions throughout life. Probably, the need to belong is a product of human beings' evolutionary history as a social species. Human beings have long depended on the cooperation of others for the supply of food, protection from predators, and the acquisition of essential knowledge. Without the formation and maintenance of social bonds, early human beings probably would not have been able to cope with or adapt to their physical environments. Thus,

다음 글의 밑줄 친 부분 중, 문맥상 낱말의 쓰임이 적절하지 않은 것은?² [H1-1806 22번]

Human beings are driven by a natural desire to form and maintain interpersonal relationships. From this perspective, people seek relationships with others to fill a vital need, and this need underlies many emotions, actions, and decisions throughout life. Probably, the need to belong is a product of human beings' evolutionary history as a social species. Human beings have long depended on the competition among others for the supply of food, protection from predators, and the acquisition of essential knowledge. Without the formation and maintenance of social connections early human beings probably would not have been able to cope with or adapt to their physical environments. Thus, seeking closeness and meaningful relationships has long been fundamental for human survival.

- ① a ② b ③ c ④ d ⑤ e
