다음 글에서 필자가 주장하는 바로 가장 적절한 것은?¹ [22년 3월 20번]

Though we are marching toward a more global society, various ethnic groups traditionally do things quite differently, and a fresh perspective is valuable in creating an open-minded child. Extensive multicultural experience makes kids more creative (measured by how many ideas they can come up with and by association skills) and allows them to capture unconventional ideas from other cultures to expand on their own ideas. As a parent, you should expose your children to other cultures as often as possible. If you can travel with your child to other countries: live there if possible. If neither is possible, there are lots of things you can do at home, such as exploring local festivals, borrowing library books about other cultures, and cooking foods from different cultures at your house.

- ① Diverse countries have their own unique cultures.
- ② The role of parents is still important in these days.
- ③ Adults should educate the adolescent in polite ways.
- ④ Parents should expose their children to other cultures frequently.
- ⑤ Children need to be educated to take pride in their own cultures.
