TECHNOLOGY  
DRIVES INTELLIGENT LIFE

Data sheet

## Hand Control JCH35V2

JCH35V2 hand controller adopts the improved ergonomic principle design, which is fit the shape of human hand and comfortable to hold. Hand controller is suitable for all kinds of medical products, such as medical bed, patient lift, examination and treatment bed, etc.

The hand controller could reach IPX4 protection level, suitable for all kinds of general controllers of Jiecang. It also adapts to non relay system.

---

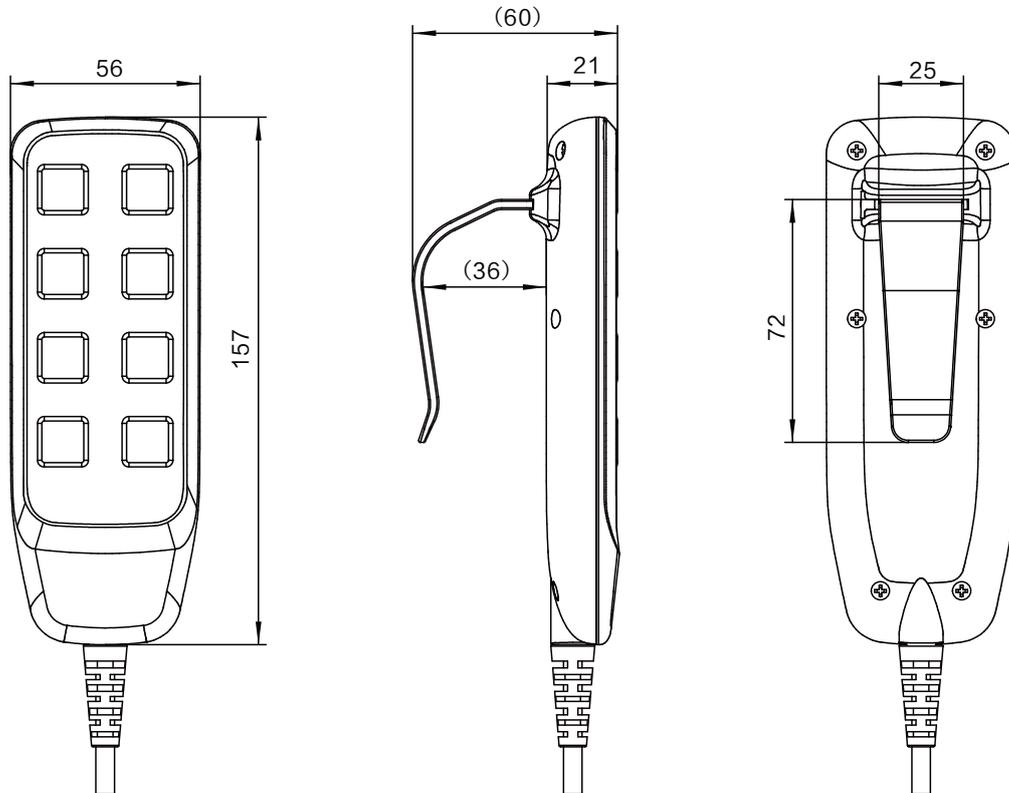

### Features

- IP grade:IPX4
- Numbers of buttons:up to 8
- Touch switch ensures long life.
- Drive up to 4 actuators synchronized
- Color:gray
- Controller supporting: all general controllers of Jiecang / non relay system
- Easy operation with both hands
- Panel color and style can be customized

### Usage

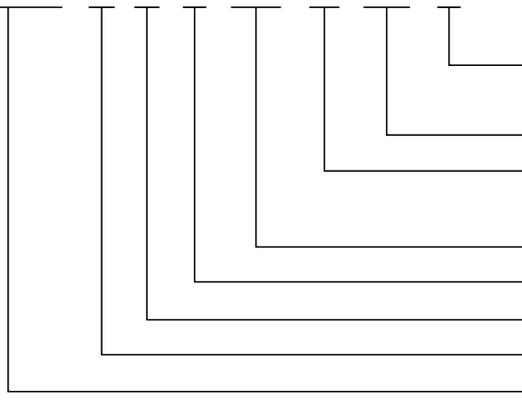

- Operating temperature:+5°C to +40°C
- Storage temperature:-10°C to +50°C
- Relative humidity:20% to 80% - non-condensing
- Atmospheric pressure:860 to 1060 hPa
- Altitude:Max. 2000m
- Safety certification: comply with RoHS

### \*Attention:

When the actuator quantity differentiates, the compatible control box as well as the plug would be different.  
So please inquiry for the corresponding salesman in your area before placing an order.
