[16~17] 다음을 듣고, 물음에 답하십시오.

W: Good morning, listeners. This is your host Rachel at the Morning Radio Show. What do you eat for breakfast? Today I will introduce a healthy breakfast food list. Eggs are an excellent choice because they are high in protein. High-protein foods such as eggs provide energy for the brain. Cheese is another good option. It reduces hunger so it supports weight loss. Yogurt is also great to eat in the morning. It contains probiotics that can improve digestion. Eating berries such as blueberries or strawberries is another perfect way to start the morning. They are lower in sugar than most other fruits, but higher in fiber. Add them to yogurt for a tasty breakfast. Start every day with a healthy meal. Thank you.
